

The Ambassador Flush Deluxe Oversize
A roomy, upscale spacious interior unit that is full with style and function, the Ambassador Flush Deluxe Oversize provides added luxury of flush and wash capability with a extra large interior for special gatherings or for family convenience. The stylish, modern interior is strategically configured to allow for a roomy and spacious environment. Fresh water flows in both the sink and toilet and sanitary foot pedals provide convenient, hands free use. End user comfort is maximized by extra amenities such as a recirculating toilet and vanity area with sink, soap, and mirror and much more.
