

# JTG Urinal Unit

Looking for a solution to backed-up lines at concerts, races or other special events where adult beverages are consumed? Check out the Urinal Unit. Built within the shell of an Enhanced Access Unit (EAU), this portable restroom can service up to four men comfortably at one time. The trough tanks mimic expensive plumbed troughs found in many arenas and stadiums at a fraction of the cost.

## Features & Specifications

- ▶ A convenient walk-through shell
- ▶ Two 70-gallon urinal trough waste tanks
- ▶ Multiple service ports located inside the unit at either end of both trough tanks
- ▶ High molecular-weight material with extra UV protection ensures that your units will continue to look new through years of work
- ▶ Perfect for high traffic special events
