

JTG Foam Sanitizer Stand

At John To Go we realize that portable sinks are not always an option for every construction job site or special event, which is why we are pleased to present the SaniStand as a sanitizer alternative. Here's the most convenient way yet to keep hands clean... even when water is not available! The SaniStand with Alcohol-Free Antiseptic Foam kills 99% of germs on hands, including E. coli and salmonella. This 60" tall unbreakable polyethylene stand holds four (4) dispensers that are just 43" off the ground with each dispenser filled with 800 ml of disinfecting foam. SaniStand system is perfect for large job sites, events or high traffic public locations, offering peace of mind you are promoting healthy hand sanitation. Great for playgrounds, schools, festivals, outdoor food vendors and construction sites.

28" x 28"
Height: 66"
Weight Empty: 31 lbs
